Susan,
 It's been great
 knowing you during
 the past year. Well we findy
 made it! Hey! But I am a little
 scared about the future. I hope
 we stay in touch. OK. We had some
 fun times the past few years. Football
 games, Boy ~~scout~~ what games. I don't think
 I remember most of it and you know the reason.

EXECUTIVE ABILITY

Administration means having executive ability and we have plenty!

With much skill, accuracy, hard work, and a little luck, Mr. Centers led his staff to the completion of one of the best years at Marianna High School.

Our assistant principal, Mr. Long, maintained organization of the bookroom. However, he was better known for hurrying us to class, leaving no time to talk!

Mrs. Tanner and Mrs. Melvin must know my parents' voice as they talked to them many times in order to check me out.

The lady with the money was Mrs. Wester. She handled the financial affairs, club treasuries, paying bills, selling tickets, and ordering supplies.

All of your "run off papers" were proof of the nice work done by Mrs. Peacock and Miss Justiss. They were busy every day of the school year.

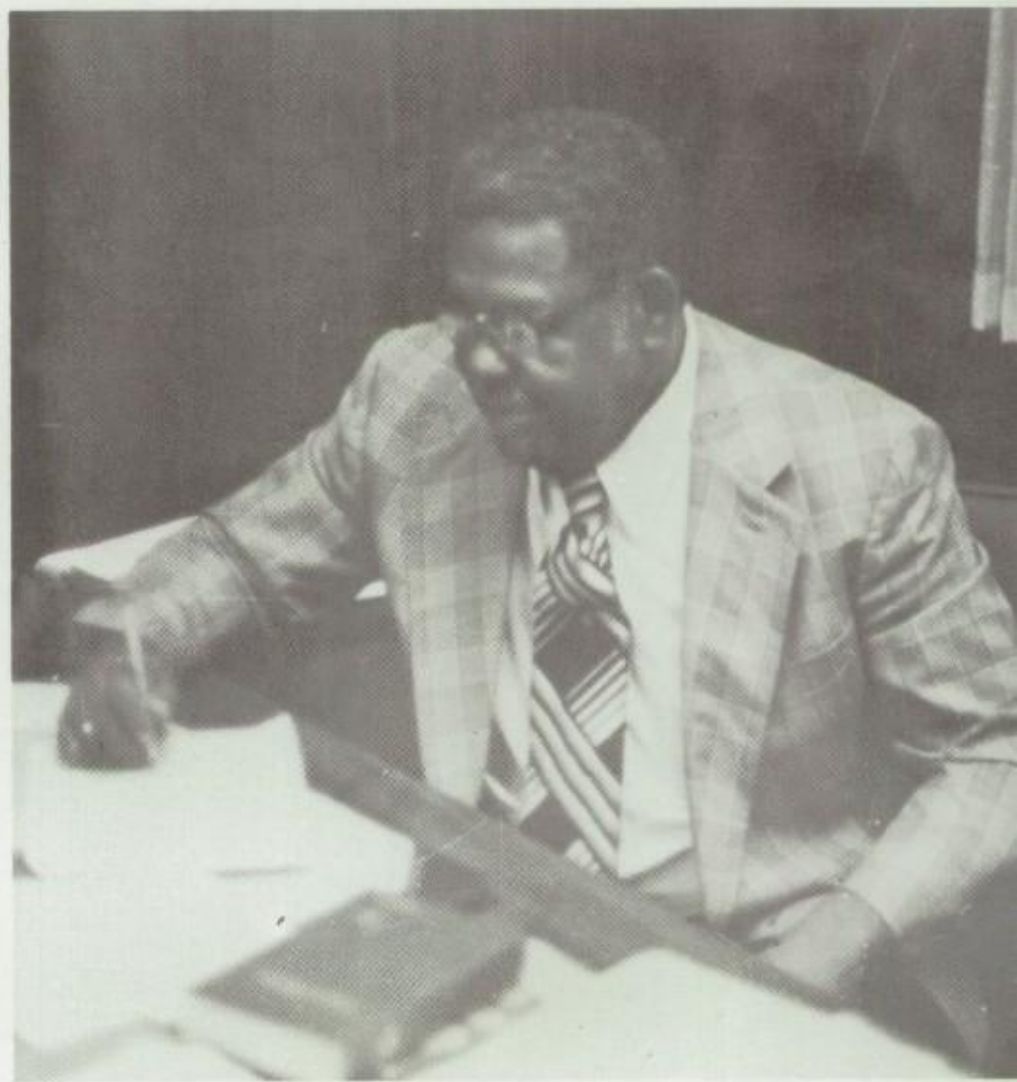

Last but not least is our warden, Mrs. Daffin, who ran in-school suspension. Surprisingly enough, most of the students who left her care, remembered her fondly.

FIND YOURSELF

They had me signed up for Physics when I should have been in Algebra II. What did I do? Run to the guidance office for rescue!

Mrs. Bryant and Mrs. Free were busy as usual. They not only helped me with school problems but personal problems as well. I saw a few unfamiliar faces who must have been confused freshmen. Some of their questions consisted of, "Do I gotta take an English?" and "I want to be a teacher. Why can't I take six classes of teacher aide?"

My schedule was straightened out in a snap. I guess that's why they're known for putting a whole lot of patience and a little bit of magic into every situation.

While I was there I thought I'd step over and talk to Mrs. Melvin, our Occupational Specialist, about a career. As they say, there's no time like the present to plan for the future, and I believe in planning ahead. I just wish I had a head to plan with. My question to her was a simple one, "How do I become President?"

Mrs. Mary Melvin, Occupational Specialist

Mrs. Eulice Bryant, Guidance Counselor

Mrs. Belva Free, Guidance Counselor

CAN YOU HELP ME

I can remember worrying so much when I had to do a report or research paper. I would walk into the library totally disgusted and Mrs. Wiggins would come to the rescue. She would help me use the card catalog and then show me how to use the Dewey Decimal System in order to locate my book. Then I would hear Mrs. Stewart say, "I found a great film that would help you with your report." So, she would spend the next half hour showing me how to use the film projector. It was such a relief to know I had everything I needed for my report.

Some days I would go in just to relax and get away from it all. I would pick up a magazine and look at the latest fads in clothes or pick up a newspaper and catch up on the latest news. As I would begin to leave, I would take my books up to the counter to be checked out and Mrs. Turnage would remind me of an overdue book and the bill I just couldn't seem to get paid!

NOT NO NOTHING??

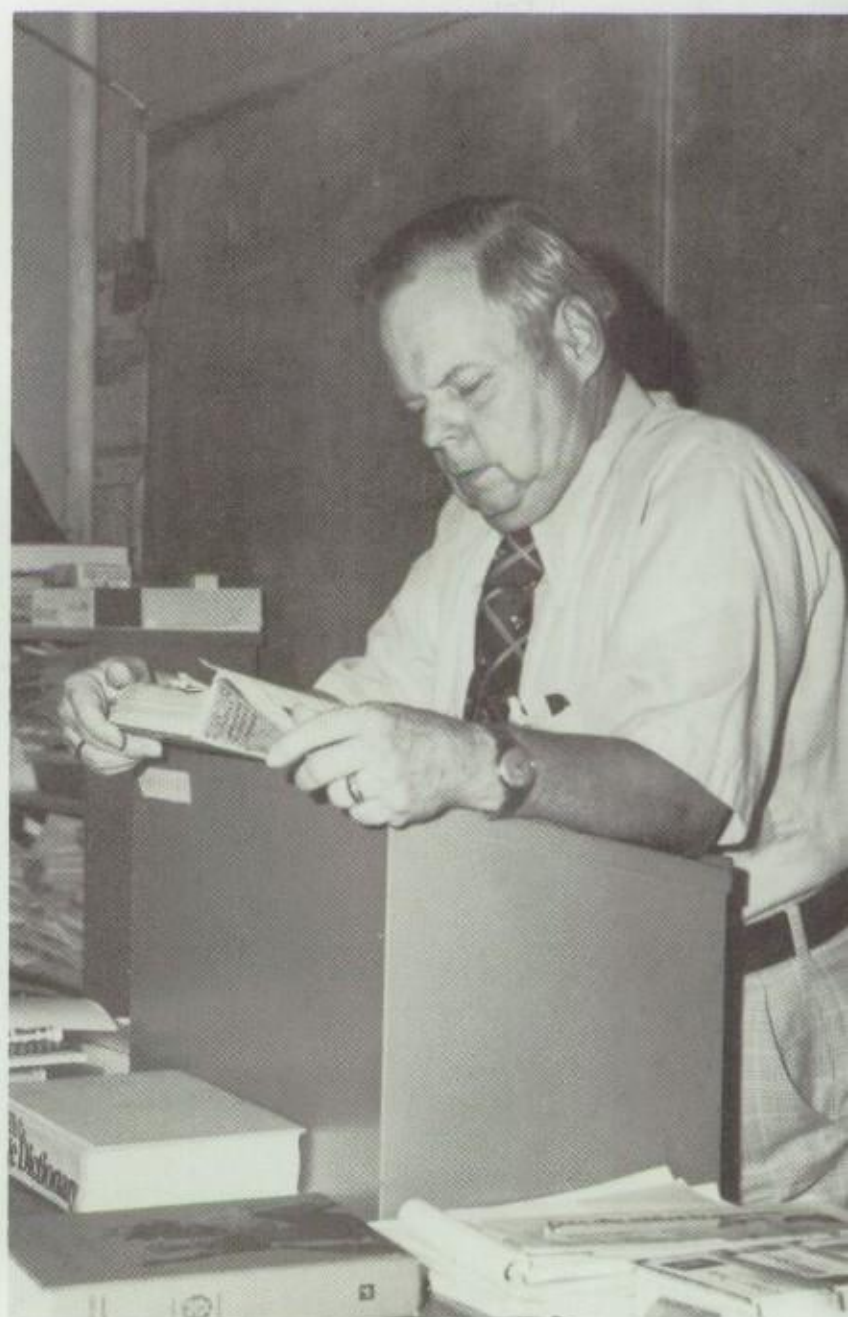

The English department at M.H.S. was well qualified to prepare its students for college. But getting through some of the classes was a problem for me. I don't know how I ever passed Mrs. Brewer's English Literature class. It was like being in another country; I was always lost. After being in Mrs. Granberry's class, I felt like Romeo and Juliet lived right next door. Maybe they'll dedicate the library to me after being in Mrs. Cooper's Basic Composition class. Mrs. Clemmons emphasized grammar so much that now I don't even understand what I say any more. We wrote so many character sketches in Mrs. Gibson's class that I know more about everyone else than I do about myself. By the end of a Friday in Mr. Therrien's class I thought Tom Sawyer was my brother. As you can see, Mr. Bill had some beautiful scenery in his class. Mrs. Segers has such a wide vocabulary, I think she must have written Webster's dictionary. After having all of those outstanding English teachers, how could anyone Not No Nothing? I ain't never going to forget them English classes at M.H.S.

SCIENTIFICALLY SPEAKING

In Mrs. Duffee's first period Experimental Biology class, it was hard to keep my mind on counting yeast when I felt like counting sheep. Dissecting frogs right before lunch was not my favorite thing either. When people can't balance Mrs. Mac's equations she screams at the top of her lungs, but behind that ferocious bark there's a brilliant mind. Coach Landry, the new General Science teacher, was constantly telling us to sit down and conserve our energy. Biology 10 was always filled with more boys than girls — who can blame them? Mrs. Ingram taught it! Another new face on our campus was Mr. Harley, who has learned that teaching at Marianna High is something not taught at college.

MATH SHINED IN 79!

I was a diamond in the rough when it came to Algebra I. Mrs. Elrod poured out the homework, but her help was just as generous.

I never could understand why Mrs. Harrison talked so fast. Now I know! There was so much to learn that I've forgotten more than I ever knew.

However, I'll never forget the "negative 1" in Mrs. Koonce's class.

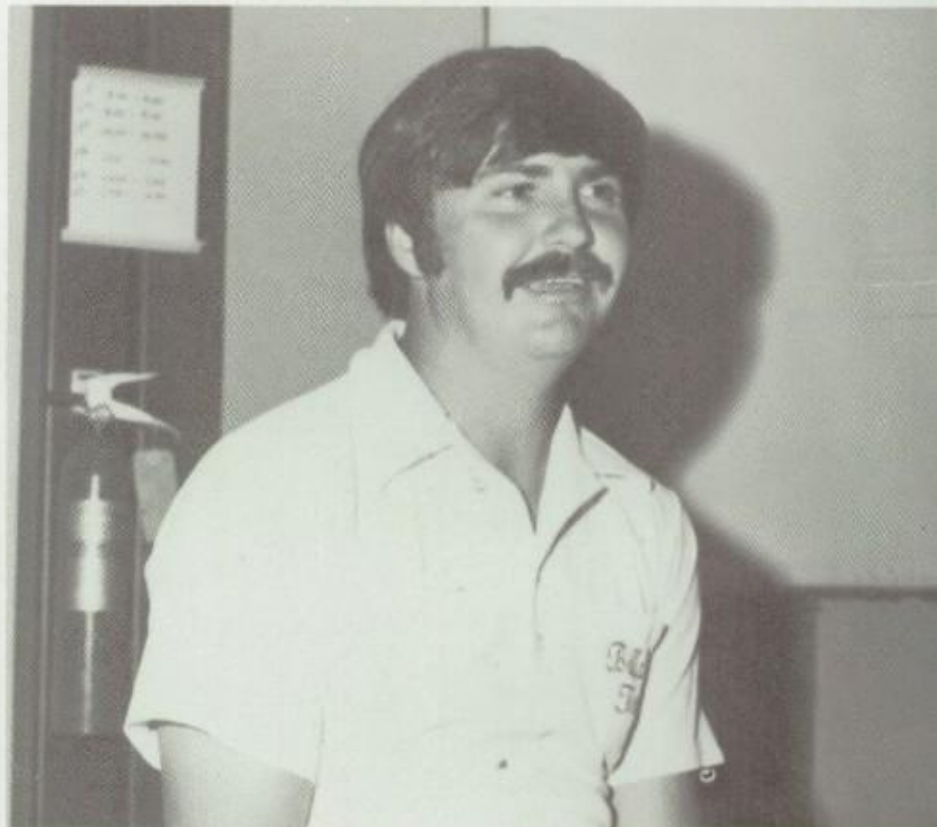

Mrs. Bird and Miss Gilbert helped many students to pass the literacy exam — our thanks and appreciation for that.

Mr. Daffin's Pre-algebra class prepared many of us for the advanced math to come.

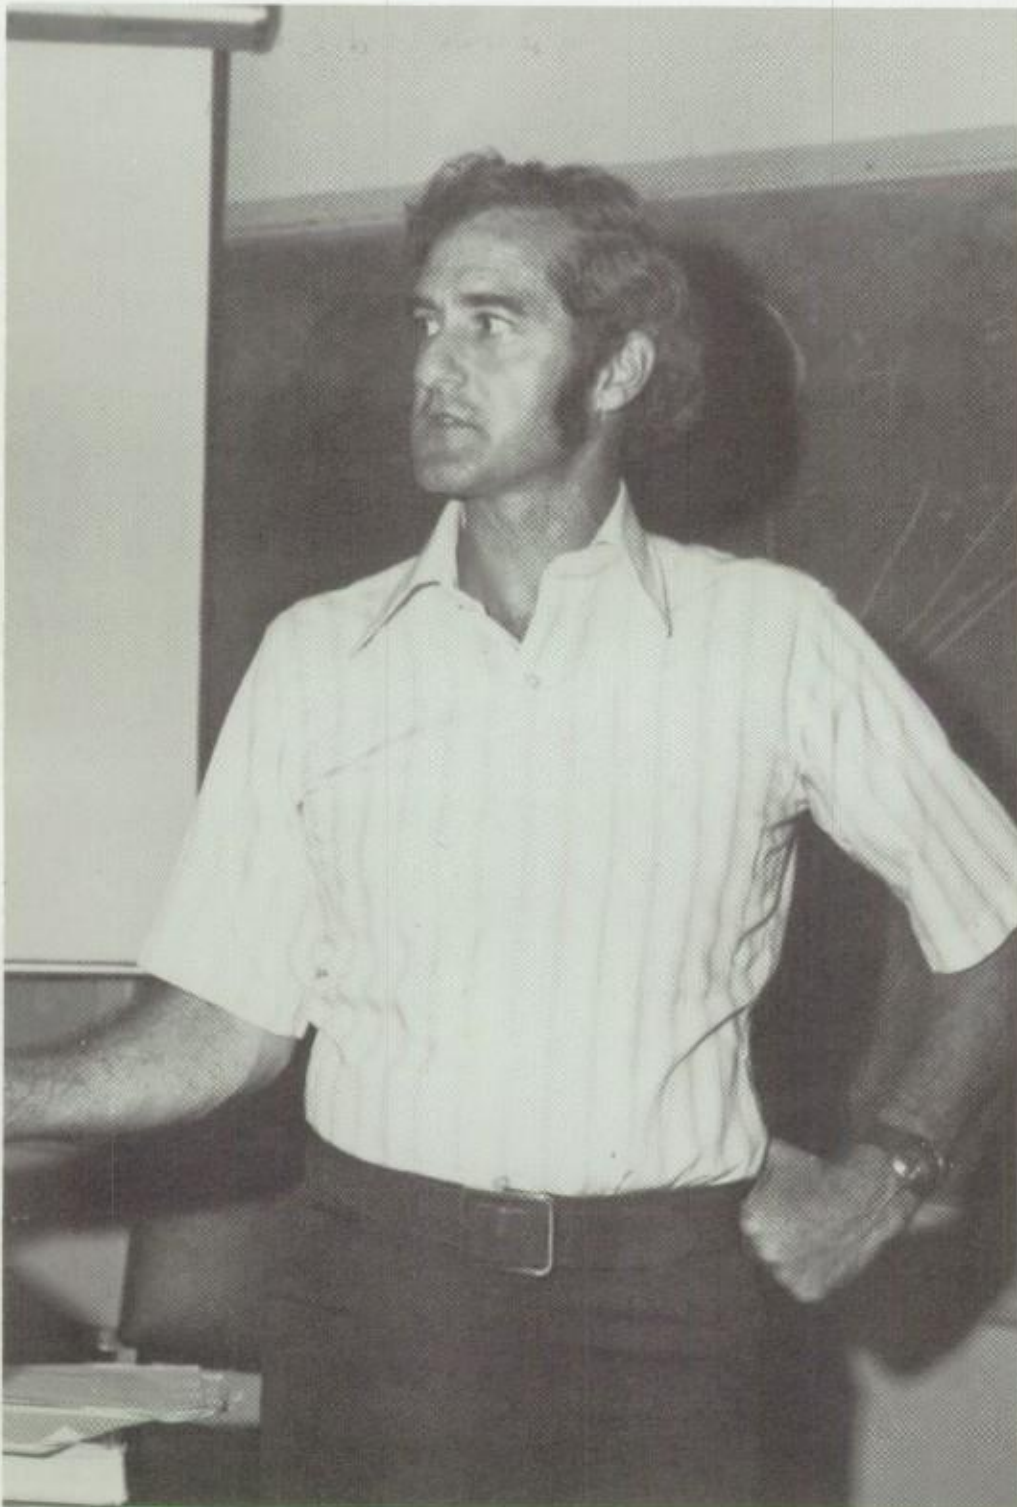

Mr. Chatwood well deserved the Teacher of the Year Award for his fine teaching and his inexhaustible patience.

HISTORY CAN BE FUN

Most people agreed that it was hard to learn about people and events of the past. Coach Free was a special teacher for the Seniors because he made history come alive. He started the year off making us learn our own Alma Mater!

I must say Ulysses Grant was SOME teacher. Whoops! I mean, Billy Grant. Did you know how many freckles Christopher Columbus had?

Mr. Summerwell makes everyone happy with his crazy jokes but he can also make you sad when he tells you to memorize all the counties and their numbers in the state of Florida.

Mrs. Morton used some good ole' psychology in her teaching.

When his class was working on their assignment, Coach Hughes planned his Baseball strategies. Whatever happened to the Baseball team's record?

LATIN LIVES ON

When I signed up for Latin I, I thought it would be another class in which I didn't know what was going on; I was right! But Mr. Donalson's description of Roman history made me feel as though I was in the middle of a Roman Forum. Though I never mastered the language, we all had fun participating in the different activities.

After an hour of Latin I, I would stay another period for World History, and next year I plan to stay for a period of Latin II.

Mr. Malcom Donalson

PAYING YOUR DUES

Mrs. Frances Shadburn

Ready, type . . . stop. There seemed to be only five seconds between the "type" and the "stop". My one minute writings, with more errors than words, were really disheartening.

Whether Mrs. Speed passed me to get rid of me or what, I graduated to Typing II. Those electric typewriters in Mrs. Shadburn's class were almost too much. My hands always slipped and hit the keyboard and I ended up with an extra line of jumbled up letters.

After Typing II, I shuffled on over to Mrs. Hinson's accounting class, hoping my fingers would soon get a rest. Filling out balance sheets, journals, and ledgers like ninety to nothing, were no rest for my tired fingers.

Preparing for a business career wasn't easy. The sore fingers, ink-smudged hands, and nightmares of unbalanced balance sheets are what it takes to be a good business person.

Mrs. Ruth Hinson

Mrs. Eunice Speed

LET'S GET TECHNICAL

This year there was a new addition in the technical department, Remedial English and Math.

I'd walk into the library and see Mrs. Davis surrounded by a pile of folders with students waiting in line for help in English skills.

I remember walking into the Math Lab and watching Mrs. Edgar, Mrs. Patterson, Mrs. Cochran, and Mrs. Burleson in action while teaching their classes the basic skills of math.

After leaving the Math Lab I'd walk by Mrs. Grimsley's and Mr. Brown's rooms watching them give their classes the training necessary to help meet the criteria of regular classes.

After all the basic skills, I'd walk over to the DCT Building where Mr. Daniels was giving his classes the classroom procedure of driving.

Across the hall was the DCT room where Mrs. Gwaltney was always giving quizzes to make sure we knew DCT was work and not play. We learned a lot of skills that were necessary in our career life.

Later I went over to the Ag Building where Mr. Nobles and Mr. Wiltse were always teaching us how to build things, plant vegetables, and judge land. But why did we paint those trees???

Mr. Large and Mr. Reagan found that I had the music in me when I joined the chorus and band.

I really can't forget about food. I'm glad Mr. Dickson taught me about food management and Mrs. Ephriam taught me how to cook.

Mrs. Knowles taught me about child care and development.

Now with this kind of help, who could go wrong?

THE AGONY OF DEFEAT

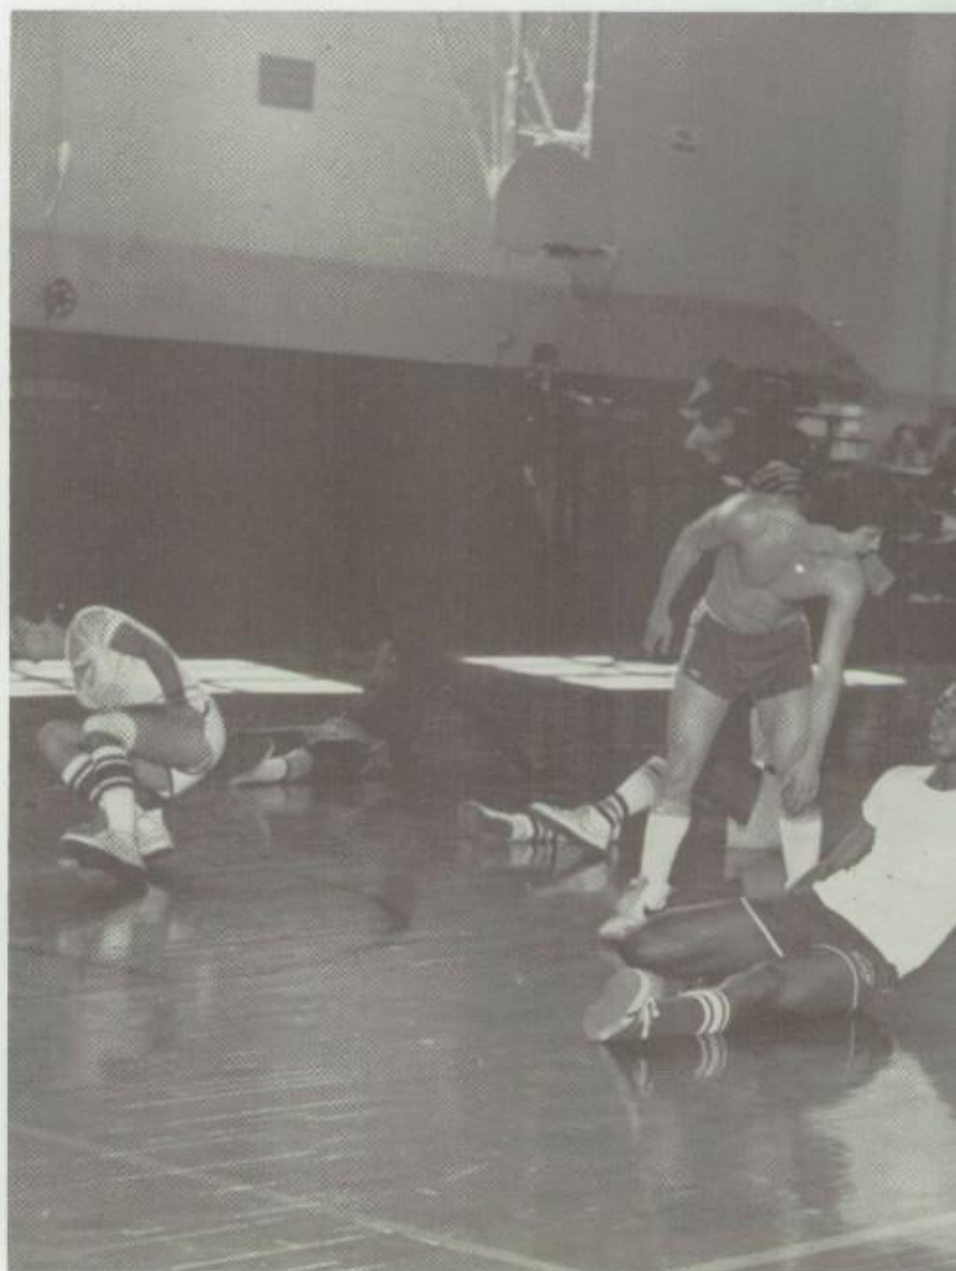

Why did I have to run five laps around the gym, Coach Patterson? I was only two minutes late. I'm glad I wasn't in Miss Brawley's class. She would have made me run five laps around the football field. Coach Davis' and Coach Poole's classes always seemed to have fun playing volleyball, that is until the losing team had to do twenty-five push-ups. Although I spent most of my time running around the gym, Physical Education was a much needed relief from books and classrooms.

HOMECOMING '79

The Student Council sponsored a fantastic week of Homecoming activities which included spirit ribbon day, "Beat the Braves" day, sock it to 'em day, a Mr. Legs contest, 50's day, Sadie Hawkin's day, a bonfire, hush day, and purple and gold day. The pep rally on Friday presented the Homecoming court and various awards and a parade was held that afternoon.

At the pre-game ceremonies, Melanie Wiggins, escorted by Marcus Pender, was crowned Homecoming Queen. The Bulldogs were victorious over the Braves which put everyone in a super mood for the traditional dance after the game.

OUR “BUREAUCRACY”

The Student Council began the 78-79 school year with vibrant enthusiasm for the enrichment of the entire student body. The immediate undertaking involved hard work in planning the Homecoming festivities. Many new activities were put into effect which made this year one to be remembered. Money making projects included selling Bulldog pins, Bulldog seats and dances held after many home games.

A new event was scheduled to recognize outstanding students with the Student of the Month Awards.

Sponsor for the year was Mr. Lynn Large. President was Valerie Milton; Vice-President Patti Stokes; Treasurer Paula Padgett; and Representatives at Large, Charles Reiff and Janet Fellows.

AWARDS ABOUND

The Future Farmers of America have had a most successful year. The hard work put into such activities as livestock judging, land judging, and forestry competition, proved to be successful with the club receiving many awards in district and sub-district competition. Out of 275 competitors in state competition, the club received 2nd in State Agriculture Mechanics, 5th at State Land Judging, 10th at State Dairy Judging and 6th at State Parliamentary Procedure Competition.

The club's many achievements were displayed to parents and prominent guests at the FFA Banquet at the end of the year.

JAS GOING PLACES

The Junior Academy of Sciences at Marianna High School had another successful and busy year. This year it was necessary for us to work harder than ever on various fund-raising projects. This enabled us to attend several science oriented programs in places such as Miami, Naples, and Gainesville. There, we participated by exhibiting science projects, reading papers, and always gaining a little more insight into the world of science.

For the first time in many years, we sponsored and held our own science fair in which many science students were involved.

With the help of local civic clubs and professional businessmen, we were able to participate in many activities. One of the outstanding events was sending four students to Summer Science Institutes at area Universities. Two of these students, Karis Dampier and Betsy Viperman, were invited to speak at the Junior Army Science and Engineering symposium. Only ten others from the state were given this honor.

With much hard work, things ran smoothly and once again a great deal was learned and accomplished by all the club's members.

FHA/HERO

One of the newest clubs on campus FHA/Hero, did a great first year job. With the election of officers behind them, the club settled down to the business of obtaining success. After several trips the club obtained the knowledge and experience that will help them in their adult lives. A lot of work goes into making a new organization a successful one, but FHA/Hero didn't let that stop them.

A BIG FINISH

We, Future Youth Educators of America, had a slow start this year but with the initiative of a few members, we began to move at a faster pace.

We sold roasted peanuts, tickets for a Christmas turkey raffle, and we elected a Homecoming Queen and her attendants.

We are striving hard toward closing the gap between the student body and faculty in our struggle for better education.

GETTING THEIR ACT TOGETHER

The Drama Club is the latest act at Marianna High. The club got underway this year with a group initiation. Secret initiators were assigned with each member being properly initiated. The club is planning to put on several one act plays for elementary and middle school students and one for high school students in the fall.

AN ACTIVE YEAR

The Afro-American's year can be classified as an active one. Our sponsor, Mrs. Vivian C. Koonce, was a decisive factor in getting the club off to a good start. We sponsored various projects. Among these were raffles and many dances, all of which were smoothly executed.

Next year we hope to be involved in more activities and projects to strengthen the club and the awareness of our Afro-American heritage.

A NEW LOOK

This year's Marianna High School Key Club sported a new look. The leadership of President Mike Crews combined with first year sponsor, Randy Free's ability to make a group work together, helped to make the Key Club once again the leading male club on campus.

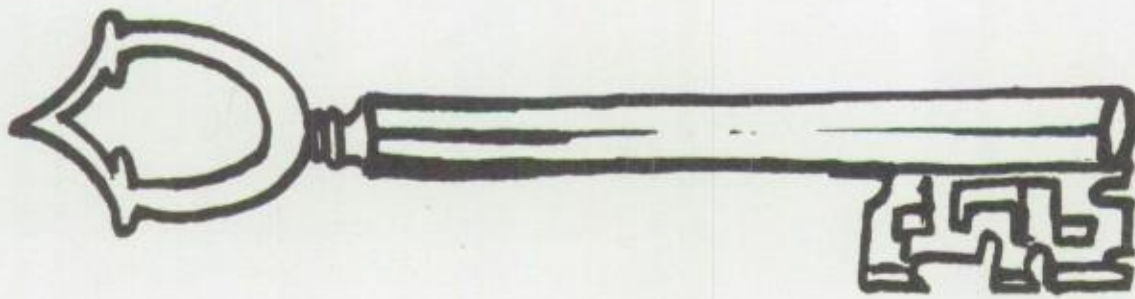

Beyond the regular fund-raising projects such as selling popcorn at football games and woodcutting, the Key Club sold raffle tickets for a shotgun that was presented to the winner at halftime during the Homecoming game. For service projects, the Club helped the annual Cancer Drive by setting up roadblocks; on Christmas Day, toys were distributed to needy children throughout the county. Once again, the Key Club is setting the example for other clubs to follow.

ANCHORED WE HOLD

Every school should have an all girls' club and Marianna High is no exception! The Anchor Club held this ground. Mrs. Betty Duffee and Mrs. Mary Jo Morton, the Anchor Club sponsors, kept us afloat and not adrift. Clay Rooks was the Anchor Admiral and he kept all the ladies on course!

This group of young Anchors was constantly busy with various school and community projects. Our main service project was the big annual Cancer Drive, which is always a big success and last year we raised about \$3500. During Christmas the Anchors sold Candy Cane Greetings that helped to add some Christmas cheer. We also sponsored a Little Miss Marianna contest that was really something to boast about! It was always easy to find the Anchor Club putting up Red Cross signs, singing at the Convalescent Center, having roadblocks, cooking goodies, or some other worthwhile activity.

Although Anchors stayed busy, we managed not to "weigh" ourselves down too much to have fun while we worked!

MIXING IT UP!

The Interact Club, sponsored by the Marianna Rotary Club, met each week at the Parish House of St. Luke's Episcopal Church. As money-making projects to finance their yearly trip to conventions in the spring, the Interact Club held a Halloween carnival, Christmas tree sale, and raked yards for their Rotary sponsors. As a community service project, they helped in the "Toys for Tots" program.

Under the leadership of President Danny Sullivan and Vice-President Scott Wilson, Interact helped the community by hard work mixed with fun and laughter.

LATIN CLUB

THE COLOSSEUM TODAY

The Latin Club sponsored by Mr. M. Donaldson, was engaged in the following activities throughout the year:

Students were assigned Latin names and club officers were elected; Consuls: Oscar Black and Pam Ross, Quaestors: Sherri Mosely, Edwin Carol, Lillie Allen, Karen Pittman, and Judy Perry.

Toga Day, December 14, 1978. All Latin students were asked to wear togas. Latin club officers judged the best boy and girl togas at recess. The prizes were Roman coin replicas. World History students joined in. Mary Peters won the girls' and Edward Sims and Charles Conner tied for the boys' best.

District I Forum was held in Pensacola, February 17, 1979.

NATIONAL HONOR SOCIETY

Scholarship, leadership, service and character are the ideals of the Marianna High School National Honor Society. The members strive to reach these goals with the help of their sponsors, Vivian Koonce and Gerald Chatwood. The scholarship ideal must be carried out by each and every student by maintaining a 3.5 grade point average.

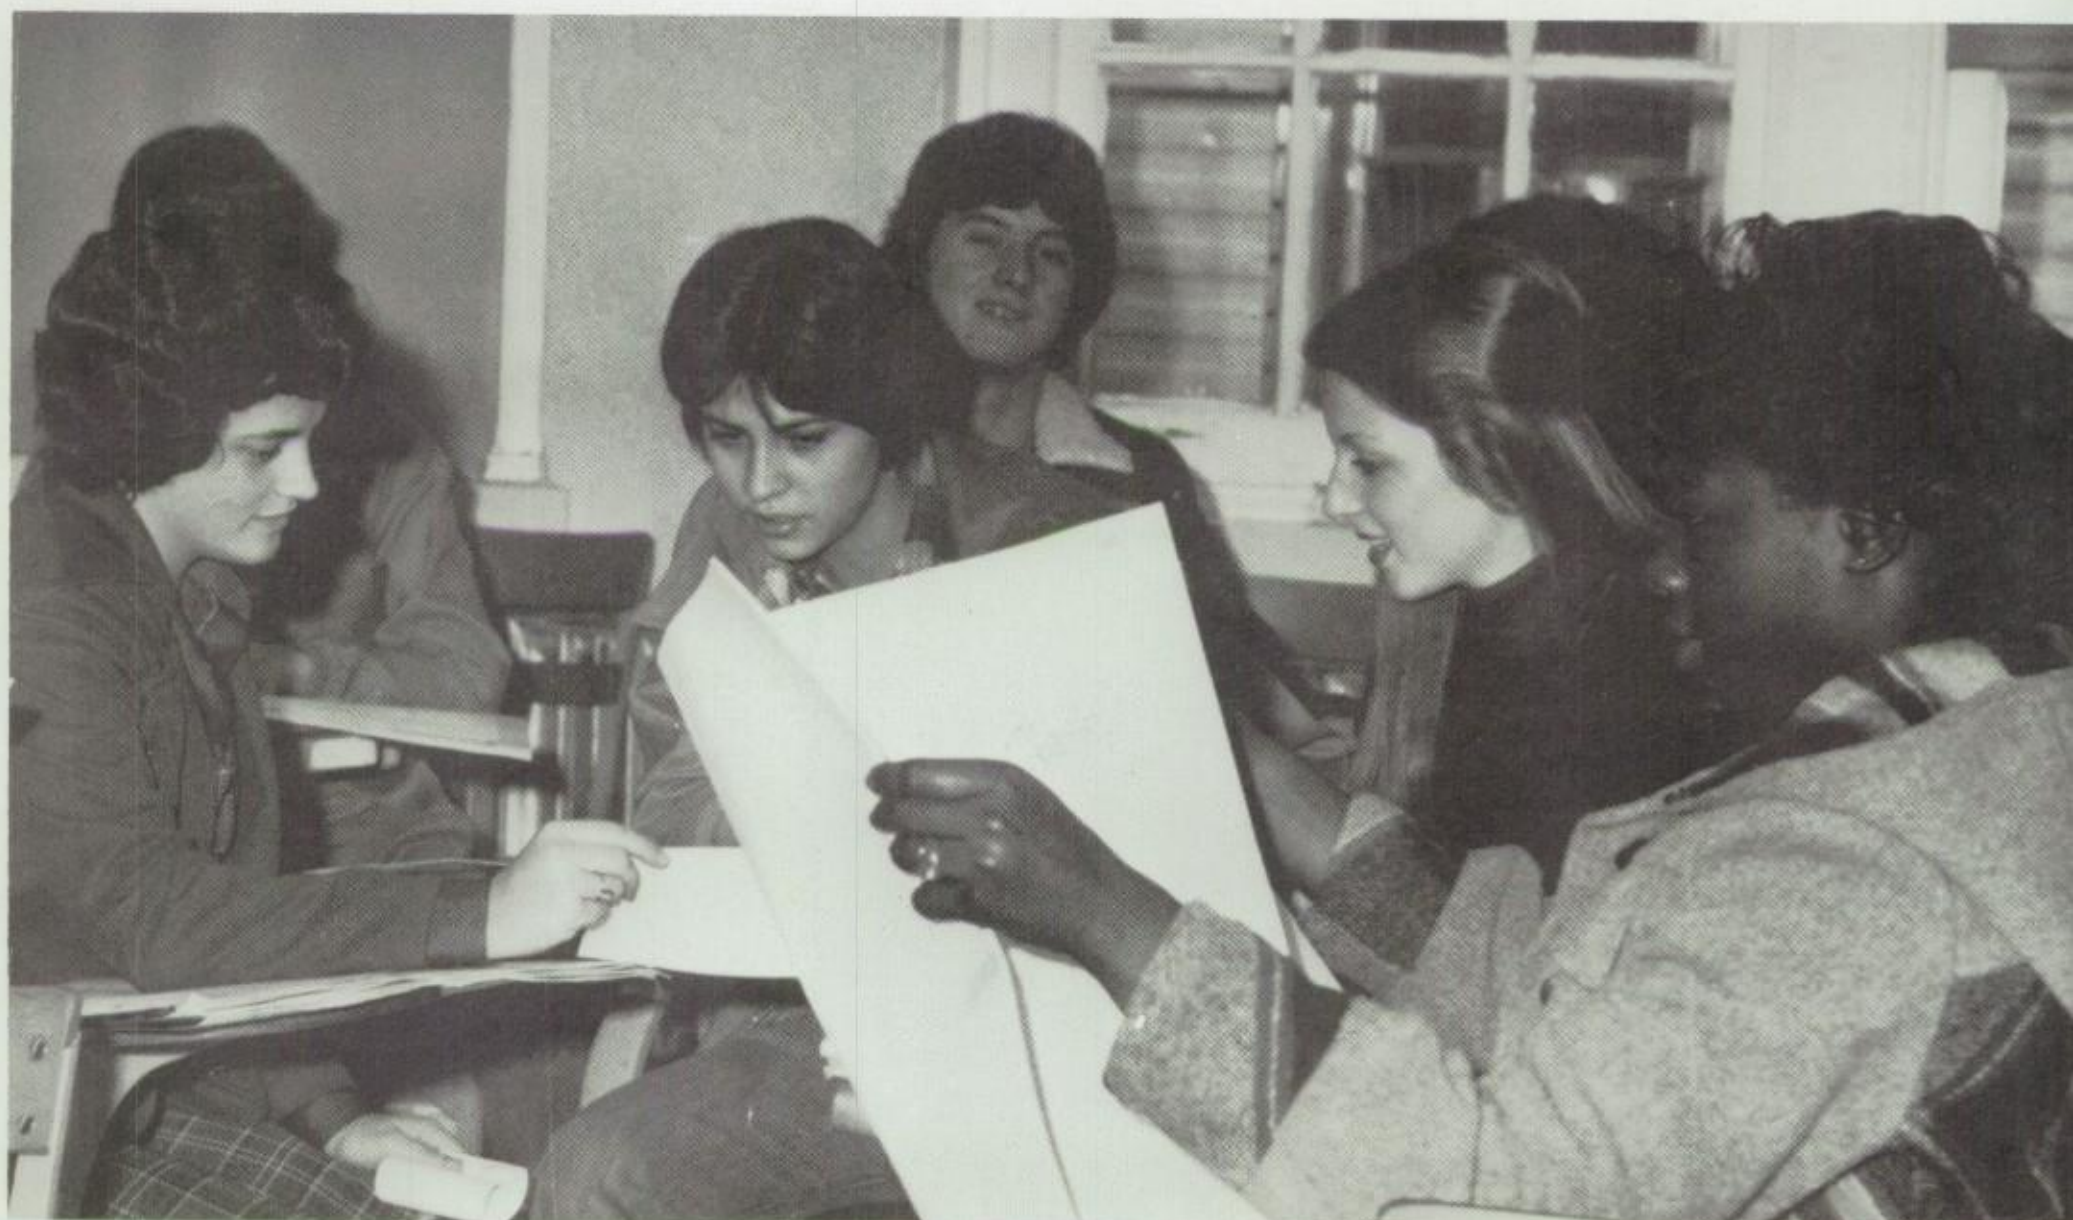

The induction ceremony highlights the newly chosen members. In 1978, 20 new members were accepted into the Marianna High School Chapter.

IT ALL WORKED OUT!

Preparation for the 1979 Yearbook started in mid-summer with rigorous planning, picture taking, and our "all-out" advertising campaign. Minds were put into gear for copy blocks and captions; many hours were spent drawing and creating layouts in order to meet hectic deadlines. The staff was finally rewarded when the yearbooks arrived and Mr. Bill heaved a sigh of relief.

Mr. Bill, Janet, and David discuss plans.

GROWLER STARTS GOSSIP

Under the supervision of Mr. Therrian, the Growler was proudly published for its thirty-eighth consecutive year. Special editorials concerning Homecoming, Christmas, and Valentine's Day aroused the interest of student, faculty, and friends. Sports editorials, school news, and many other interesting columns added to the production of an excellent school newspaper.

Editor in Chief, Vanessa Robinson, made sure each Growler was better than the one before. The staff's interest, enthusiasm, and knowledge was reflected in each and every publication.

BETA ACTIVITIES

Our schedule this year in Beta Club was full of fund raising and service projects. Some of the things we did to raise money included holding car washes, selling posters, M.H.S. pennants, paperweights, and stickers. This last summer we had a Walt Disney movie for children. We placed Thanksgiving decorations at the Marianna Convalescent Center, collected toys for needy children for Christmas, and helped with the Golson Spring Festival.

We met on the first and third Tuesdays of each month to discuss business and projects.

We attended the district meetings in Altha and Graceville, and the state convention in Orlando. Altogether we had a very successful year.

HELPING OUT

Under the supervision of the sponsor, Mrs. Becky Davis and the president, Angela Ward, the March of Dimes put forth a tremendous effort to support the research for the prevention of birth defects.

They made this a success by sponsoring road blocks, bake sales, a Mothers' March, and a dance-a-thon. The club members have put an enormous amount of work into these projects and deserve a great deal of recognition.

EVERYDAY IS PAYDAY

We had an exciting year in D.C.T. Our new concession stand provided us with a more efficient way to serve the student body. We had a larger supply of goods that everyone was interested in purchasing.

In class, Mrs. Gwaltney ordered materials for each person involving the fields we wanted to enter after high school or college. We learned a lot about the careers we aspired to obtain. We also had a chance to put our knowledge and our bodies to work by the jobs we upheld throughout the year.

To show our school spirit, we sold purple and gold mums, shakers, and derbies. The money we raised was used for the Annual Employee-Employer Banquet and District and State Competition.

SUPERIOR!!

Performing in an award-winning style, the Marianna High School Pride of the Purple and Gold has lived up to its motto, "Pride is our Guide". Mr. Royce Reagan achieved the job of successfully organizing this large group. Drum Major, Keith Johnson led the Band through parades, halftime shows, and concerts. We were awarded straight superiors at Marching Contest in Panama City.

CHORUS EXCELS AGAIN

With the selection of tux and gowns we started out the year with a new look. Along with the new look came a new sound accredited to the many new faces which joined the group.

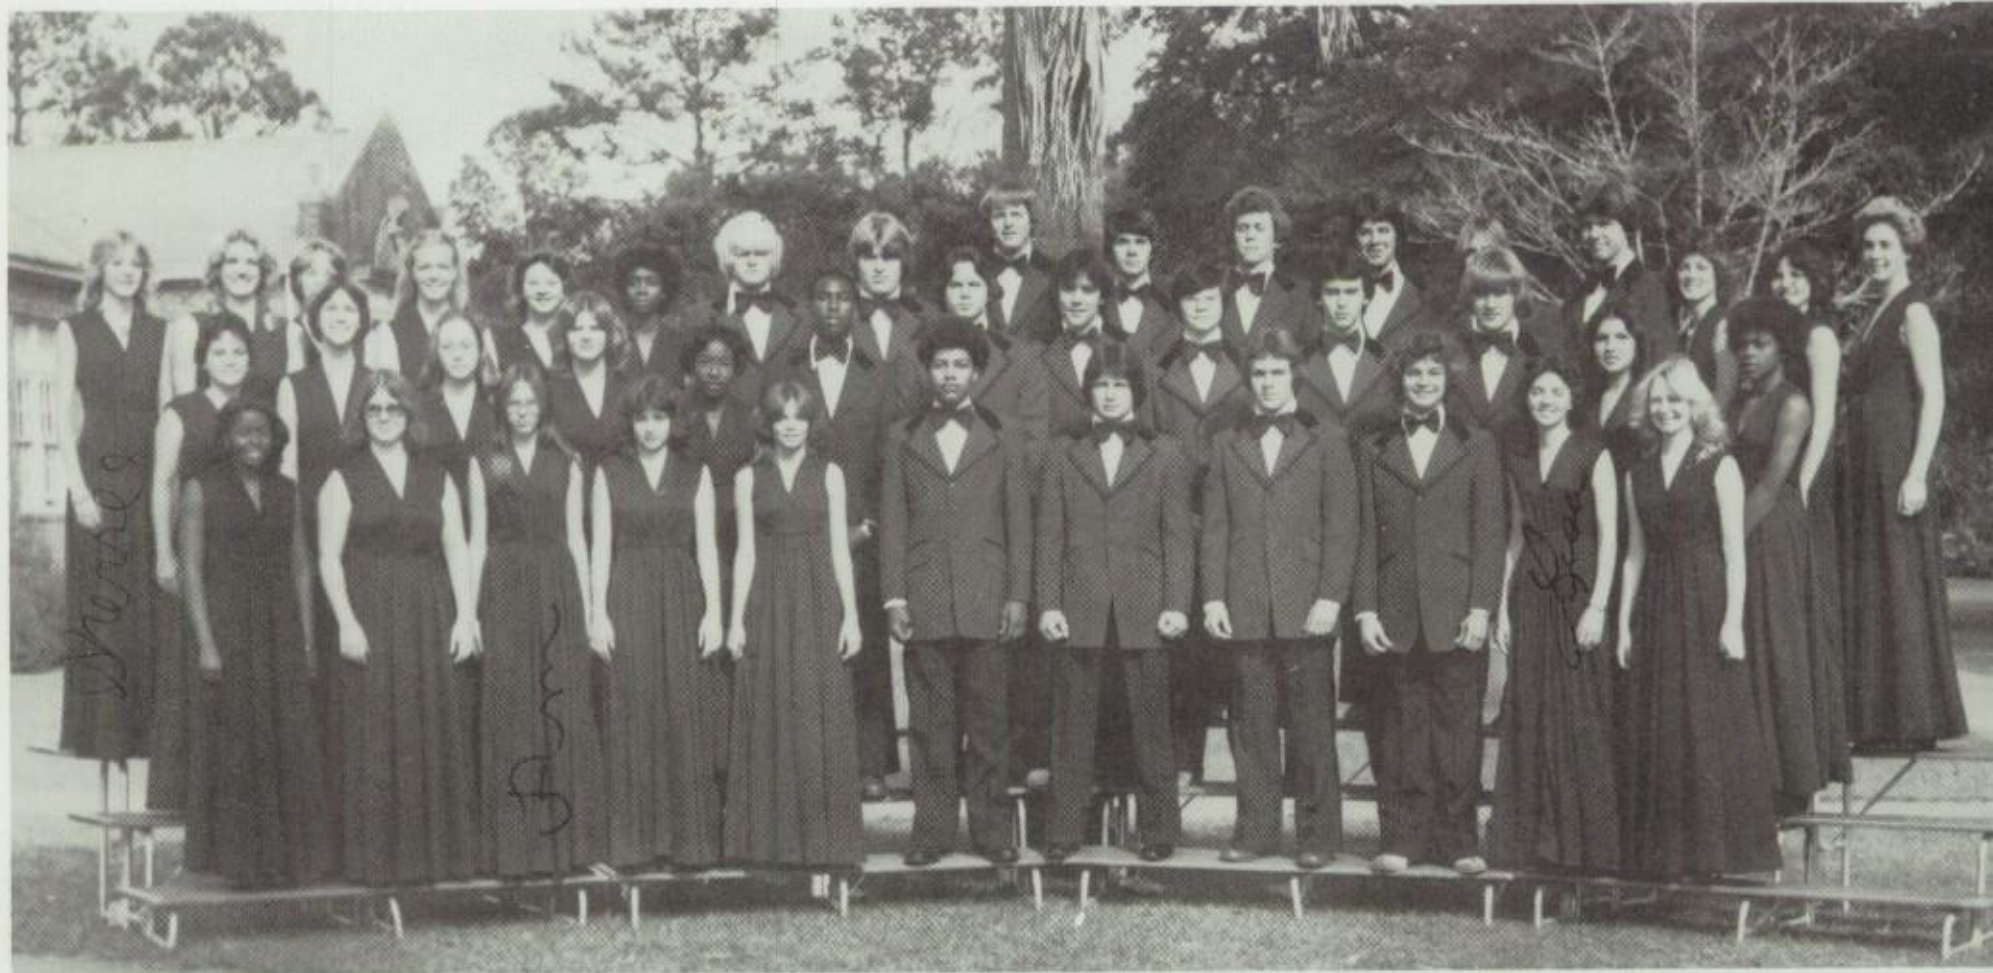

There was no time for R&R (better known as rest and relaxation) because our first performance was the Community Thanksgiving Service in November. As always after Thanksgiving comes Christmas and our schedule began to "fill up." Our annual Christmas concert was the first performance of the season. We performed for the Rotary Club and then travelled to Panama City to appear on the Televisit Program on WJHG-TV. This program was taped and shown at various times throughout the holidays.

Marianna High has always been represented in the Florida All-State Chorus, a special group which consists of the best high school vocalists from all over the state. This year was no exception as Renee Green was selected from a competitive audition to attend the clinic.

After the holidays, visions of superior ratings began to dance in our heads, so we began to prepare ourselves for District and State Festivals. With this task behind us we gave our final concert of the year in late spring.

After a full year of accomplishments, we closed with a much deserved banquet.

Well, here it is our last day, and last hour of our high school career. From this point on it will never be the same. Good luck in whatever you choose to do. Love,
Sr. "79" Ray -n- Jessica C.

DAZZLING DOZEN

We worked hard all year long with football and basketball games. At the American Cheerleading Academy in Leesburg, we won the Most Outstanding Squad Award. With the supervision of Mrs. Gail Daffin and the added help of five seniors, we had superb leadership. Our aim was to promote the school with "lots" of spirit, and to keep it going. We painted posters and signs and provided entertainment and cheers at the pep rallies. We sold Bulldog football and basketball T-shirts so that the students could show their pride in being a part of MHS. Win or lose, we always held our heads high and still produced the spirit for the school.

WORKING TOGETHER

The Activett Club, under the watchful guidance of our sponsor, Mrs. Granberry, had a full and exciting year. It began with a Halloween party for the Sunland clients. In November, the club prepared Thanksgiving boxes for needy families. In December, another Christmas party was hosted at Sunland. Various other civic projects were initiated as well.

The group was also quite active on the social scene this year. The Little Miss Sweetheart and The Miss Teenage Pageants were held; each proving to be successful.

Everyone did his share in carrying out money-making projects, namely disco dances and the selling of candy apples at ballgames.

In short, it was a very good year for us, with each member working to make the Activett Club an organization to be proud of!

DECADE

Marianna vs. Jefferson County

Without the use of the scoreboard clock at Bulldog Stadium, the spectators at the game between Marianna and Jefferson County had no idea how much time was left in the final quarter when Jefferson County scored three points on a field goal right at the gun, upsetting the Bulldog's attempt for victory in the season opener.

Though Jefferson County came up with the first score of the game, a touchdown early in the first quarter, Marianna hit the scoreboard a few minutes before the end of the period, then added another in the second to take a 14-6 lead at halftime. Jefferson County scored a touchdown and the two-point conversion to tie the game at 14-14, then took the victory with the last second field goal.

Marianna vs. Rickards

The Bulldogs travelled to Florida A&M Stadium to battle the Rickards Redskins and brought home their first district victory of the season.

Marianna jumped to an early lead in the first quarter on a five-yard run by Greg McNealy, but Rickards' pass defense held Marianna until the third quarter when Rickards got on the board. However, Marianna erupted in the fourth period with a 44-yard Ronald Fagan to Anthony Jackson pass. Fagan scored soon after on a two-yard run and then backup quarterback Darwin Gilmore took over and handed off to Matt Dryden for an eight-yard run making the final score 26-6.

Marianna vs. Chipley

The fired up Bulldogs crossed county lines to embarrass the rival Chipley Tigers, 22-0.

With the exception of two points being scored on a safety during the second half, Marianna relied on the passing arm of quarterback Ronald Fagan. Two Fagan passes to Rodney Summerwell aided the Bulldogs in gliding to a 20-0 halftime lead.

After Chipley couldn't come up with any type of drive in the third quarter, Head Coach Wendell Davis, with the 20 point spread, began to experiment with the offensive ground game. The Bulldogs threatened several times but never got across.

Despite the rousing defeat Marianna was handing to Chipley, the Tigers finally began to mount a drive after being denied the chance to even move into Bulldog territory throughout the game. The tough Bulldog defense dug in and stopped them cold.

Marianna vs. Lincoln

Though the score of 26-25 may not show it, the Bulldogs of Marianna and the Trojans of Lincoln linked horns in a defensive battle, with the Bulldogs coming out the victors after an amazing three overtime marathon high school game.

Both teams battled throughout the game, Lincoln scoring a touchdown to take a 7-0 lead in the first quarter, then Marianna getting a passing score from Fagan to Charles Reiff at the start of the fourth period to tie the game at 7-7. Otherwise, the game was a true defensive test for these two district foes. The two each scored touchdowns in each of the three overtimes, but only the last one scored by Marianna had a successful point after, giving the Bulldogs their one point advantage.

Marianna vs. Port St. Joe

With almost a dozen members of the Marianna Bulldogs out with either injuries or illnesses including starting quarterback Ron Fagan, the Purple and Gold still rolled up enough points to defeat the Port St. Joe Sharks for their fourth victory of the season.

Marianna won the coin toss, and on the first series of downs rambled to the end zone to score the first points of the night. The Bulldogs second score came just minutes after the second period began. Port St. Joe's six points came towards the end of the third quarter, after a Bulldog fumble on a punt return gave the Sharks new life.

The rest of the game, marred by penalties and a strong defensive battle, brought no points to the board and the game ended 14-6.

Marianna vs. Leon

Whether superstitious or not, Friday the 13th proved to be unlucky for the Marianna Bulldogs, who, despite outplaying the Leon Lions in the second half the game in Bulldog Stadium, suffered a 26-7 district loss.

Leon scored quickly with two touchdowns and a field goal in the first quarter. By the end of the first half Marianna was trailing 20-0.

The Bulldogs, not to be pushed aside, came out of the locker room fired up, and after a fumble recovery by Mike Hutto on the kick-off, started moving. A couple of plays later, Eric Speights trotted in for the score. Sixto Pineda made the extra point kick, the Purple and Gold trailed 20-7.

The Lions scored their last TD with 11:55 left in the game. The Bulldogs were not able to mount any kind of drive and dropped their record to 4-2 overall and 2-1 in district play.

Marianna vs. Walton

Marianna took charge with a three-touchdown flurry in the second quarter and went on to defeat the Walton Braves 27-0 in the 1978 Homecoming game at Bulldog Stadium.

Quarterback Ron Fagan threw two touchdown passes, one to Brian Wiggins on an 8-yard play and the second to Eric Speights for a 15-yard score. Mike Henck ran one yard for a touchdown and Sixto Pineda kicked his third extra point to close out the second quarter flurry.

The last score of the game came during the third quarter after Greg McNealy received the pitch-out on the option from Fagan and ran the ball in. Pineda missed the kick this time, leaving the score at 27-0.

Marianna vs. Quincy

Marianna according to the statistic books led in every category except one and that exception was all Shanks needed for a 19-14 victory over the Bulldogs.

Shanks used their special team and defensive runners for the score all night as the Dogs defense stopped the Tiger offense cold. Punt returns of 77 and 90 yards for TD's by Quincy stunned the Marianna bunch in what was a simply frustrating night and a surprising victory for Quincy Shanks.

Marianna vs. Blountstown

Despite the fact that the Blountstown Tigers scored first, led twice in the game, and made a strong effort at the end of the game to challenge, the Bulldogs took the non-conference football battle 21-20.

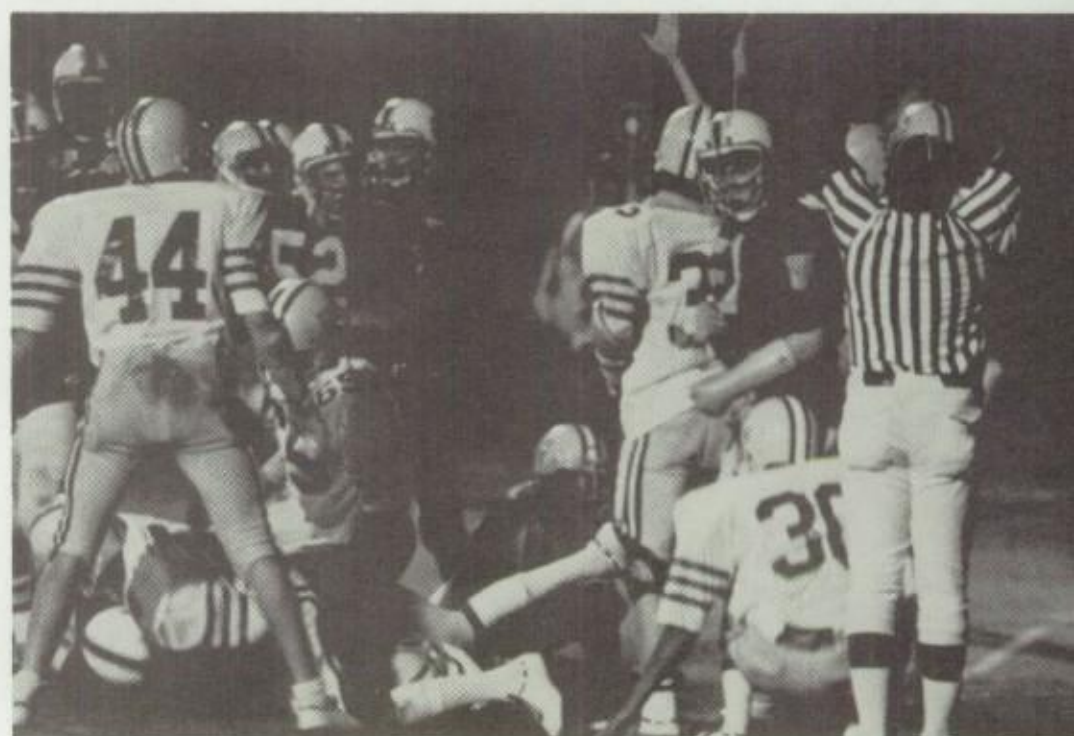

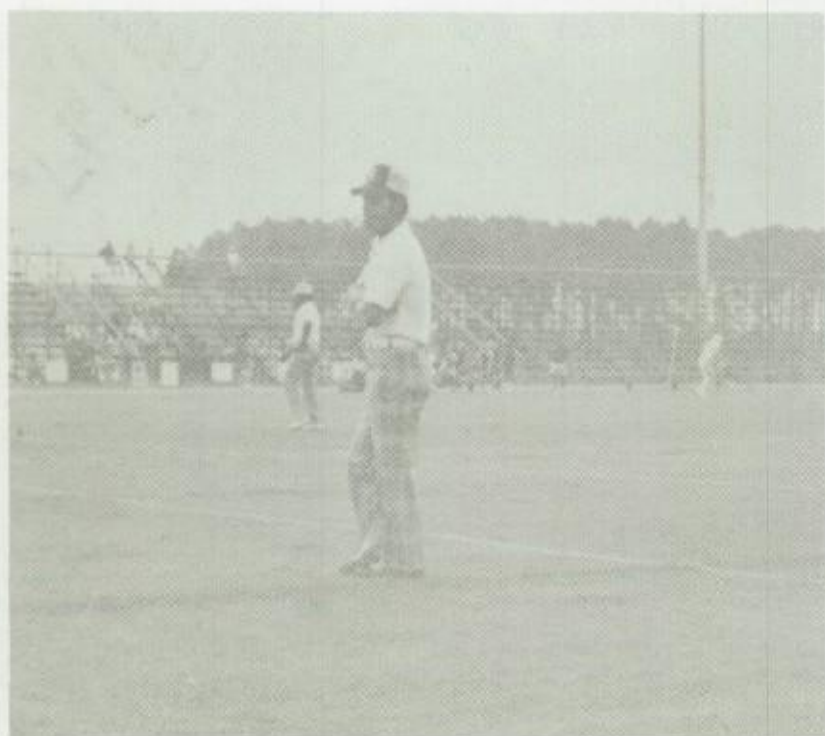

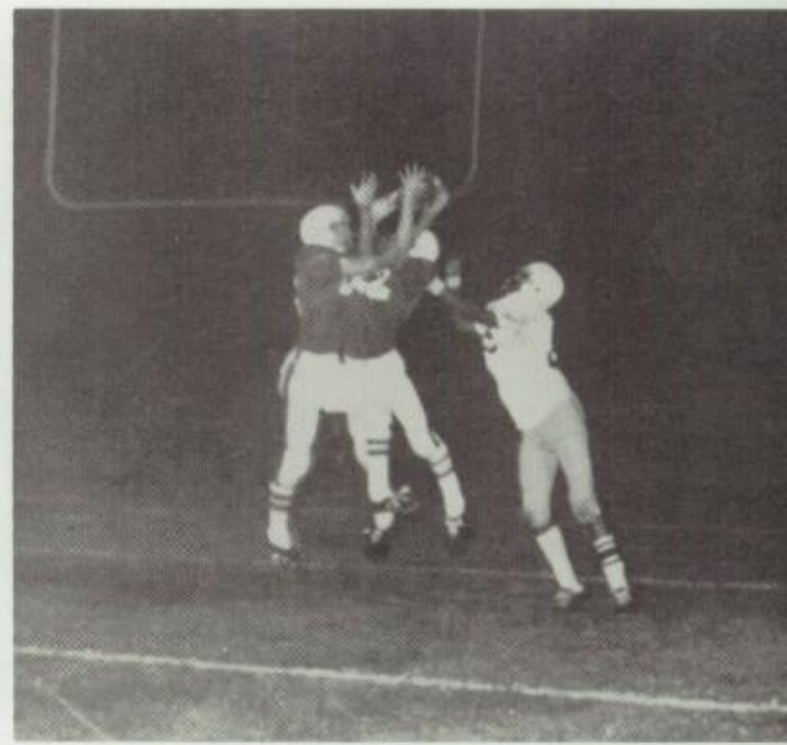

The Bulldogs, plagued by the big play in Quincy the previous week, used a very big play of their own to defeat the Tigers as defensive specialist Lee Evans picked off a pass at the Marianna 15-yard line and scampered 85-yards down the sideline for Marianna's winning touchdown.

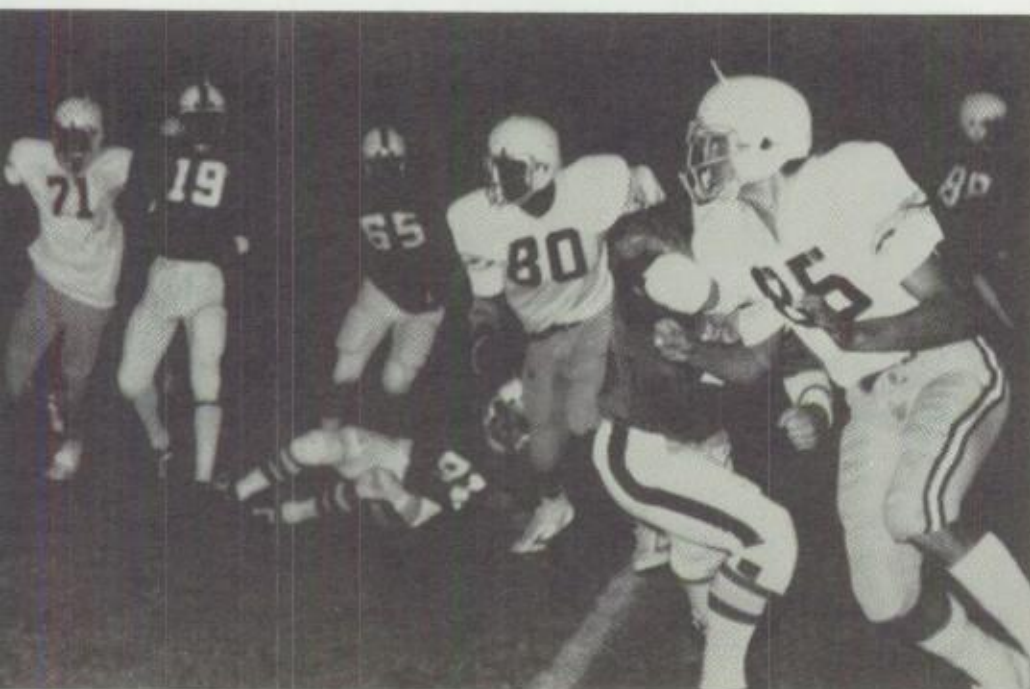

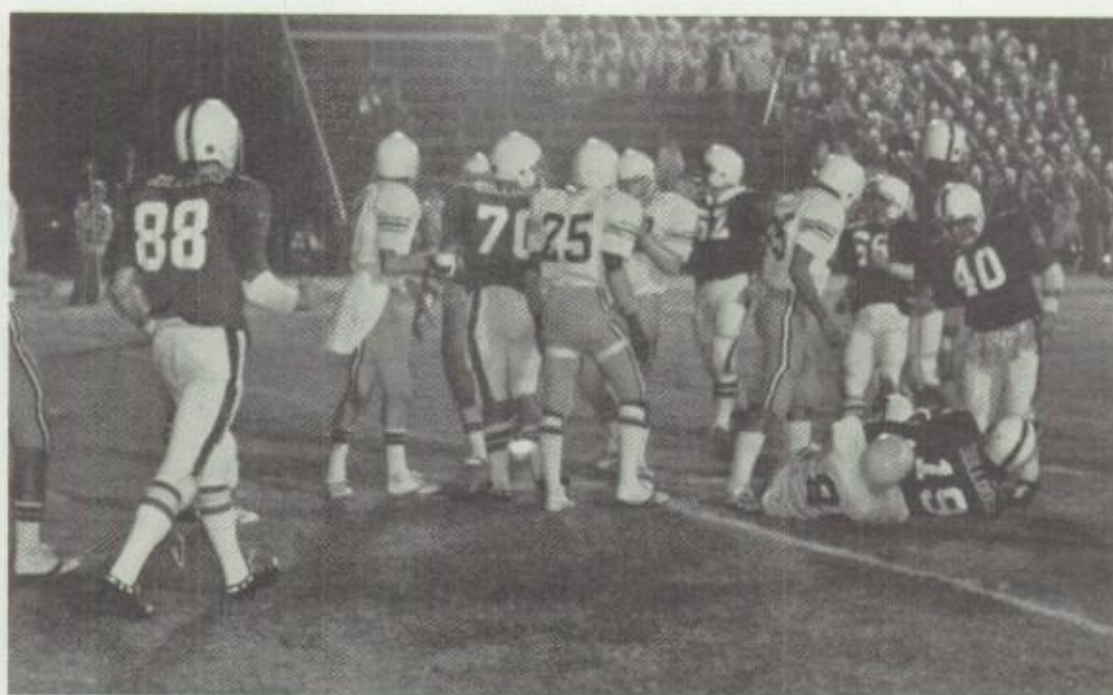

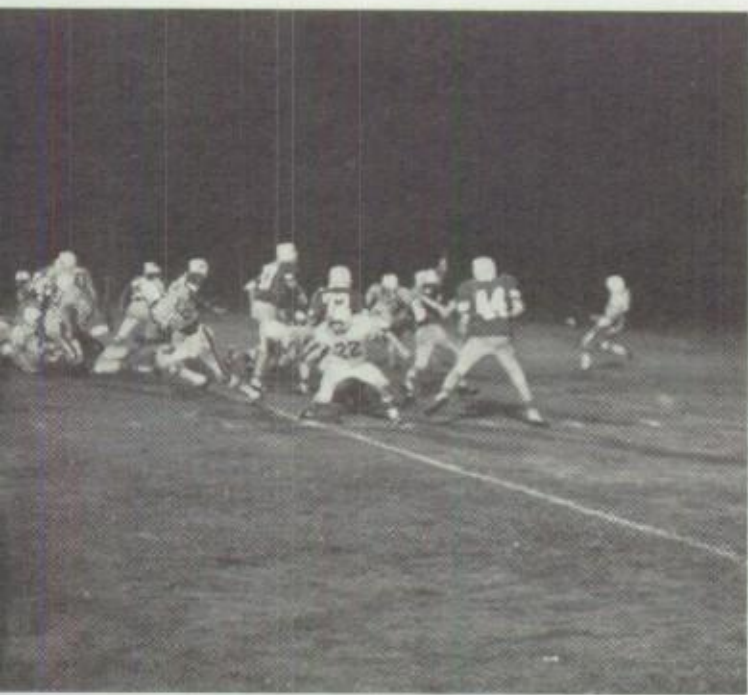

At the end of the first half the Bulldogs were on top 7-6, but a costly mistake early in third period by Marianna gave the Tigers a 12-7 lead. The Bulldogs scored twice before the last drive and the Dogs held on to a 21-20 victory.

Marianna vs. Wakulla

Winning their seventh game of the season and giving themselves the school's best record since 1971, the Marianna Bulldogs had to fight right down to the finish to get the victory in the den of the Wakulla War Eagles, 17-14.

Wakulla jumped out to a 7-0 lead early in the game, but Marianna came back to lead 17-7 before holding off a late War Eagle drive for the mild upset.

BAD NEWS IN TENNIS SHOES

The M.H.S. Varsity Basketball Team showed its magic early in the season by capturing the top place in the Jackson County Christmas Tournament. At one point rated as high as sixth in the state, the Bulldogs outran their competition, despite showing some slight inconsistencies in playing. Top returning players, Mike Crews and Tommy Daniels, were considered to be top college prospects. Jeff Haynes was one of the best point guards around the county.

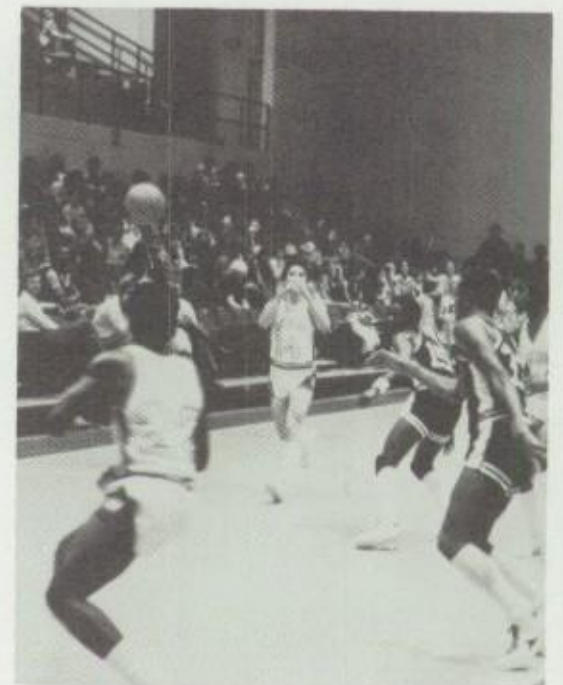

The Bulldogs achieved their success with the help and knowhow of Coach Randy Free. The season was also notable for the great attendance records set by M.H.S. fans and for the start of a Marianna-Leon rivalry.

NELDA'S NETTERS

The girls varsity basketball team continued their tradition of winning this season under the supervision of Coach Nelda Segers, finishing with a 12-8 record. They won the first district game by an overwhelming 20 points only to fall to Quincy by 3.

For the first time in girls varsity history at MHS, the girls were ranked in the state.

Through the determination and effort of each player, girls basketball is becoming a dominate activity at Marianna High.

TRADITION CARRIED ON

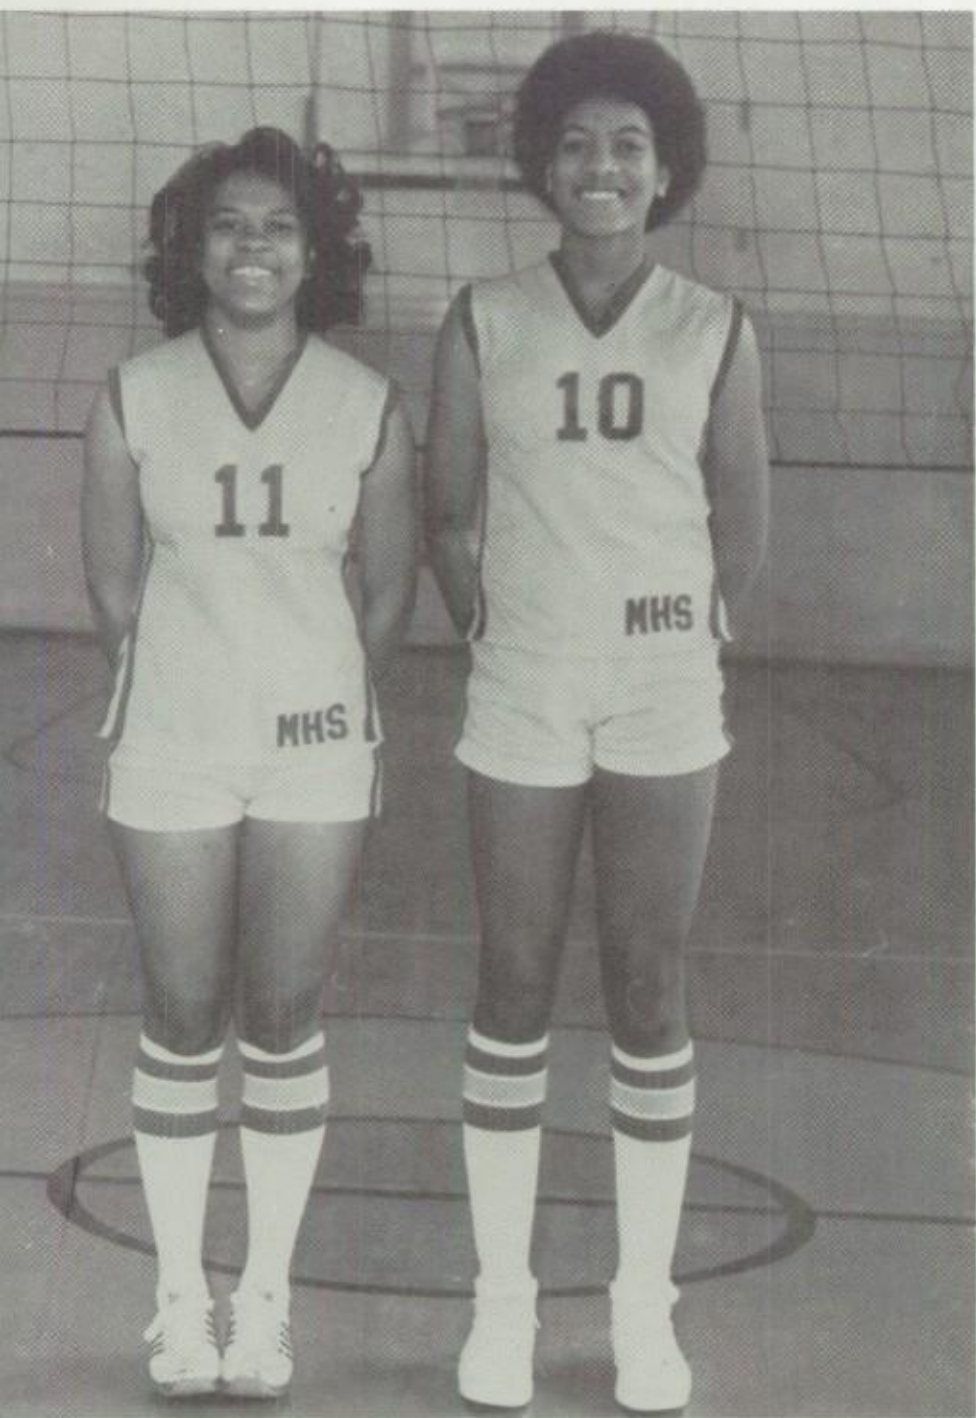

Alot of practice and preparation helped the Bulldogs continue their winning reputation, posting a 13-9 record. As the season developed so did the team. Coach Gail Brawley diligently worked with the young Bulldogs and their 21-game schedule brought much needed experience to the team.

The team members' spirits were always high, in spite of the fact that the group often felt unknown and ignored by the student body.

STATE

We have slammed doubles, triples, homeruns, scooped balls, and suffered strike outs. All of these plus our determination and enthusiasm has made us strong district contenders.

Front Row: Carlisa Sylvester, Renee Green, Jackie Hayes, Annette Garvin, Sara Spires, Donna White, Earlene Hayes, Tina Deese, Jennifer Dixon. **Second Row:** Darlene Sims, Shirley Dixon, Annette Everette, Temetris Rivers, Tanya Kelley, Pam Ross, Priscilla Baker, Gloria Sims, Coach Gail Brawley.

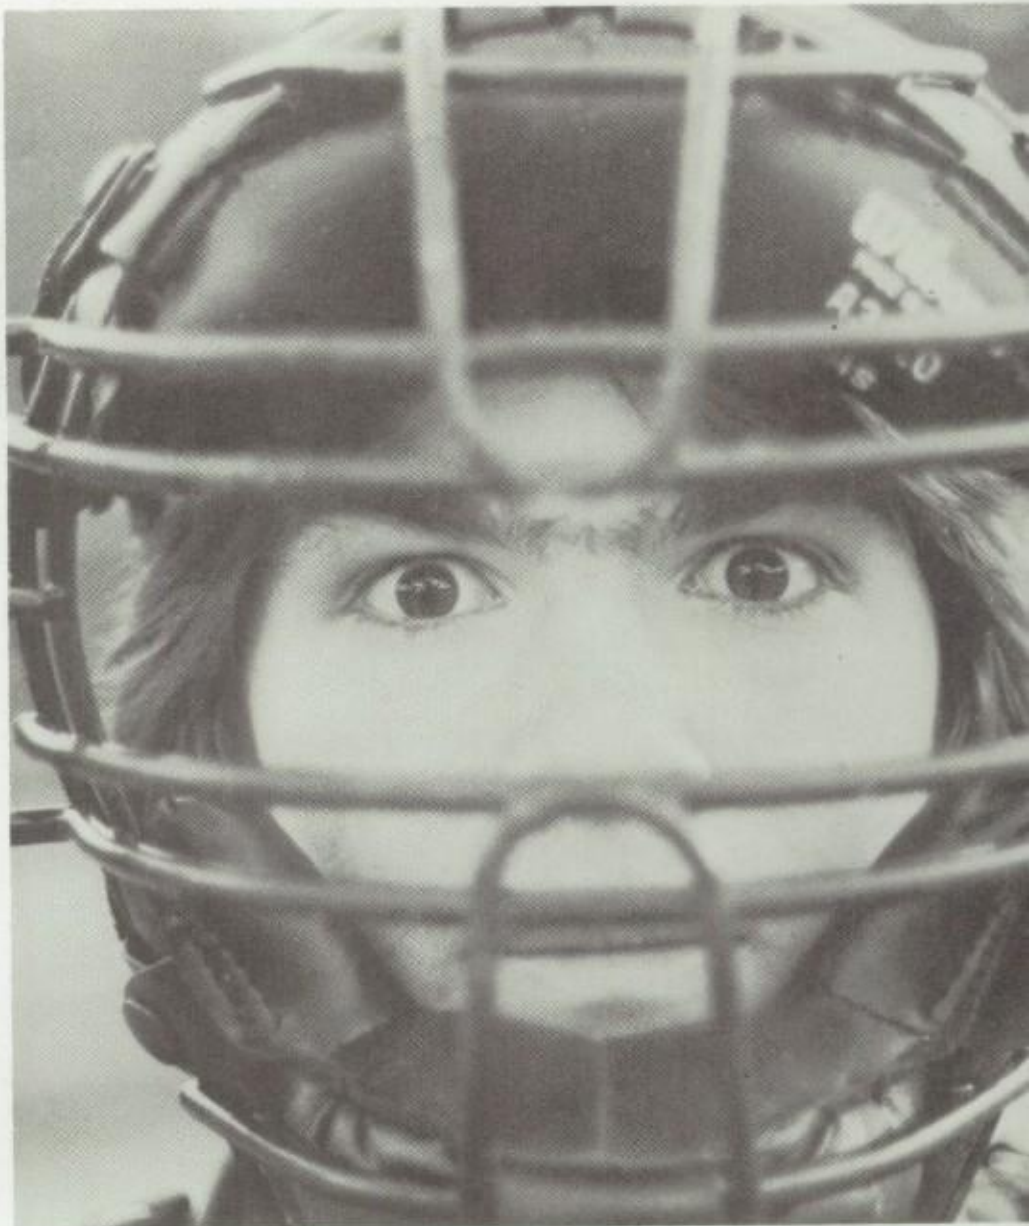

BOUND?

Coach Gail Brawley, with only three returning seniors, has drilled the young Lady Bulldogs in the fundamentals as well as situation play. The girls hope to travel the state-bound route of last year's team.

GREAT EXPECTATIONS

With seven returning seniors and the accumulated knowledge of second-year coach Dell Hughes, the Marianna High School baseball team is expecting one of their best years ever. Being one of the stronger teams in the district, the "Baseball Bulldogs" have set the state tournament as their goal for this year. With a schedule consisting of mainly 3A and 4A schools, the 'Dogs have many tough obstacles to overcome before they reach their goal.

M.H.S. GOLFERS CUT STROKES

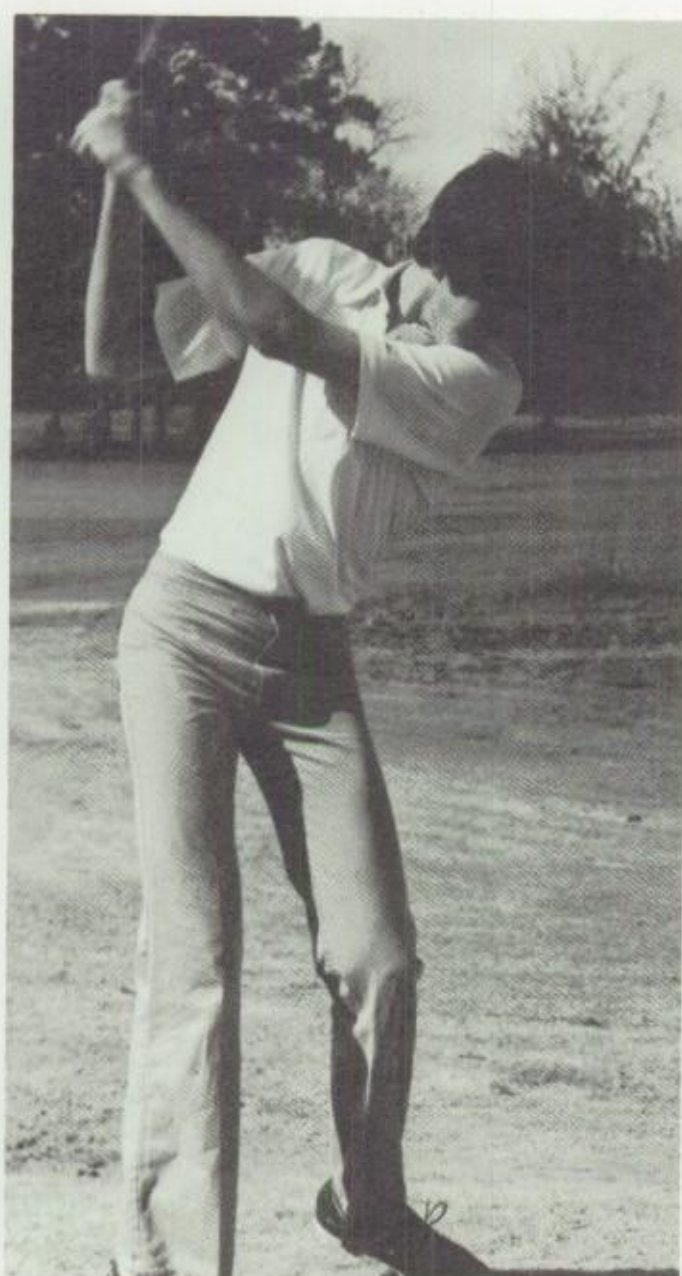

Golf was a relatively new and unknown sport at Marianna High. The team was young and should be good in the years to come. Marcus Pender was the only senior and the only one to have played golf four years straight, so the others looked to him for leadership. The rest of the team, all sophomores, included Russell Pender, John Toman, David Hand, Danny Burk, Randy Roberts and Brian Milton. The golf team also had a new coach in Mr. Danny Sims. Mr. Sims worked hard getting the team many new matches in new and better places; get your clubs and we'll see you at the golf course.

ANYONE FOR TENNIS

The tennis team of Marianna High School is steadily improving. Having won several matches last year, they proved a challenge for everyone they played.

This year, the Marianna High School Tennis Team had several matches on their schedule, many of which were with rigid competition.

All members of the team have put in many hours of practice, all hoping to be playing in the number 1 position.

1st Row: Robert Peters, Tim Morton, Jerry Adams. 2nd Row: Brian Craven, Marc Donofro, Brian Pelt.

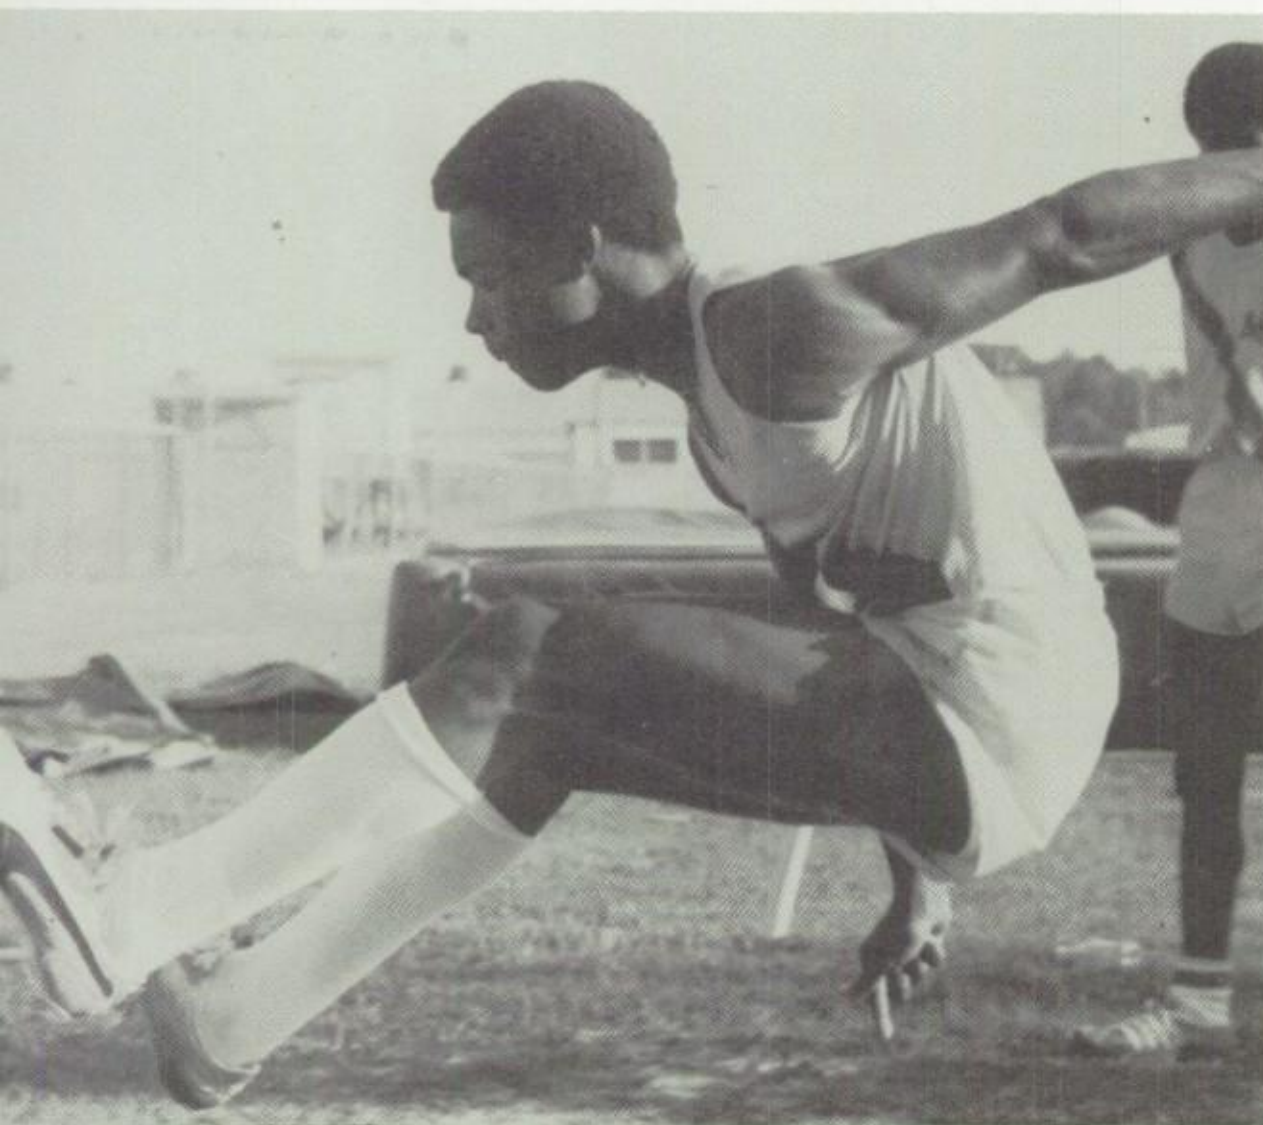

First Row: Anthony Jackson, Larry Davis, Greg McNealy, Jimmy Harrell. **Second Row:** Willie Ross, David Cloud, Rodney Summerwell, Reginald Pollock. **Third Row:** Gebru Freeman, Le Evans, Randall Scott, Elijah Gilbert.

First Row: Jarrilyn Black, Elmira Grant, Twina Bell, Brenda Borders. **Second Row:** Mgr. Sandra Harvey, Sybil Rivers, Janice Johnson, Vernender Wilkes, Vanelda Mixon.

BULLDOGS ARE READY TO RUN

The Marianna High School Track Team started the 1979 season with practices in early January. They were preparing for their first meet with Mosely on March 9. This year, under the supervision of Coach Patterson, the Bulldogs had twelve meets, excluding the District meet, held on April 26 in Tallahassee.

Some of the events to watch out for are the girls and boys 440 relays. The boys team should also be strong in the mile and two mile events.

Vanelda Mixon

YOUNG WRESTLERS GAIN EXPERIENCE

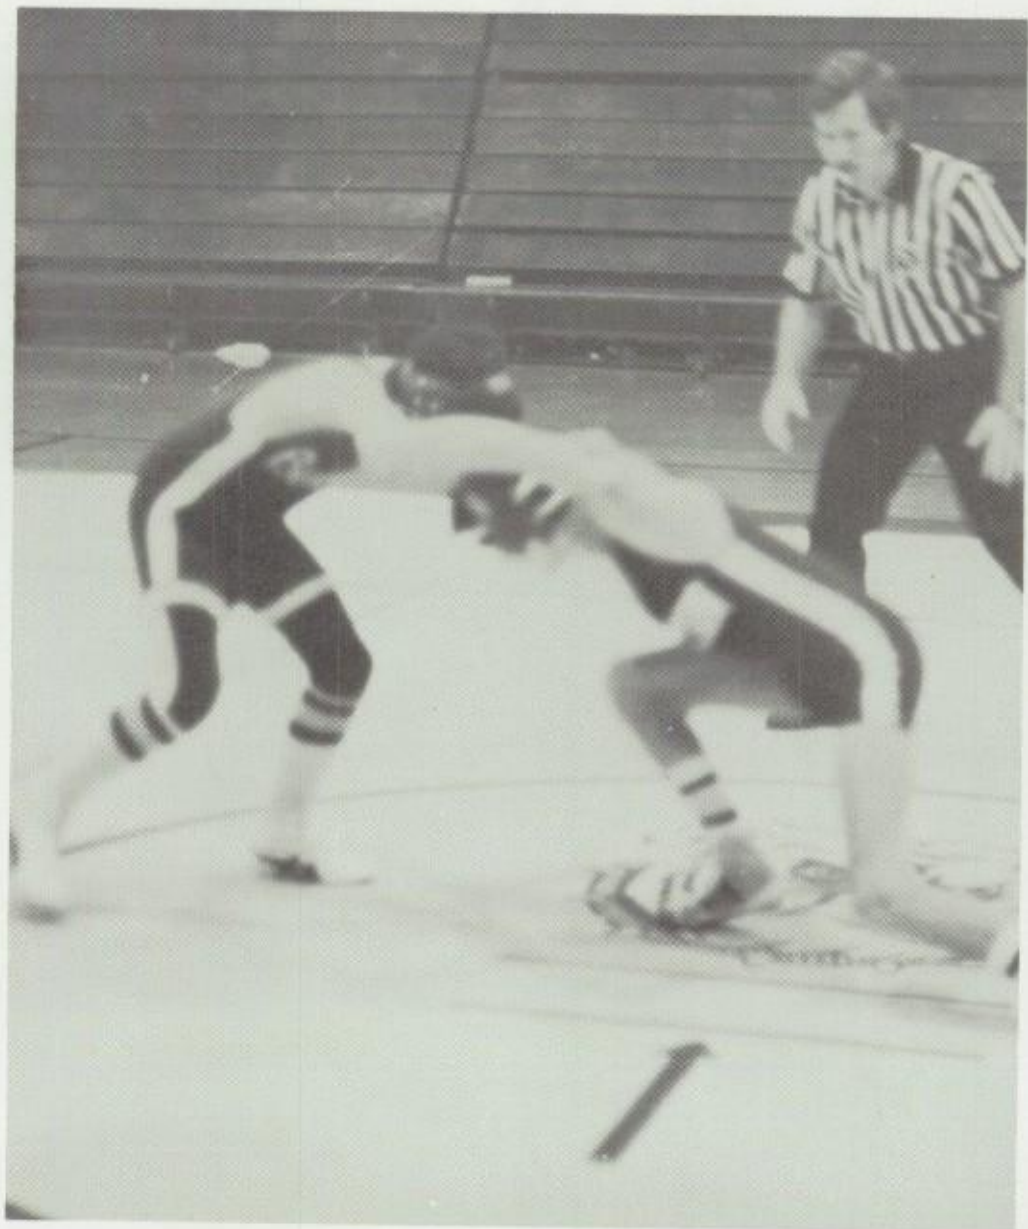

First year coach, Brian Landry, led the 1978-79 version of the Marianna High School Wrestling Team to a slightly disappointing 7-9 record. This mark is rather deceiving, considering that most of their matches were with powerful 4A schools. The Bulldogs were able to send two wrestlers to state. They were Ronnie Spears and Mike Hutto.

Another addition to the wrestling team this year was the wrestlettes. With their spirit and enthusiasm they led the matmen on to victory.

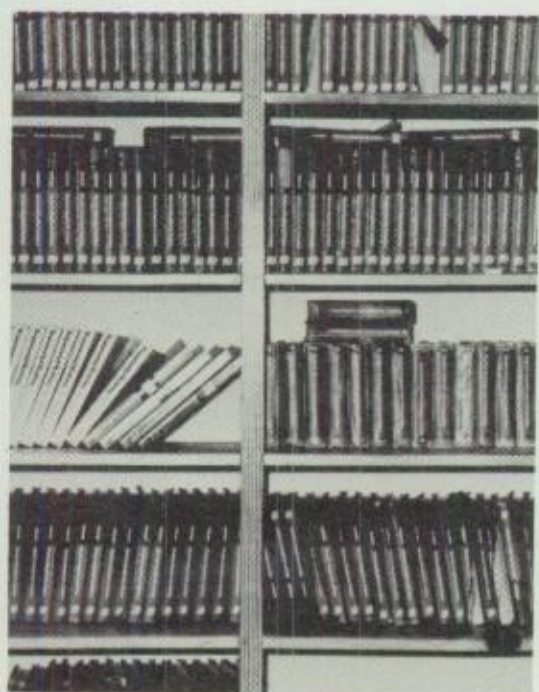

Bottom Row: Mark Lewis, Kelly Riley, Billy Wooten, Grag McNealy, Jimmy Wade. Middle Row: David Cloud, Wayne Hicks, Sixto Pineda, Mike Hutto, Coach Landry. Top Row: Sam Stout, Ricky Rash, Ted Johnston, Dennis Keeman, Bernard Jennings, Ronnie Spears.

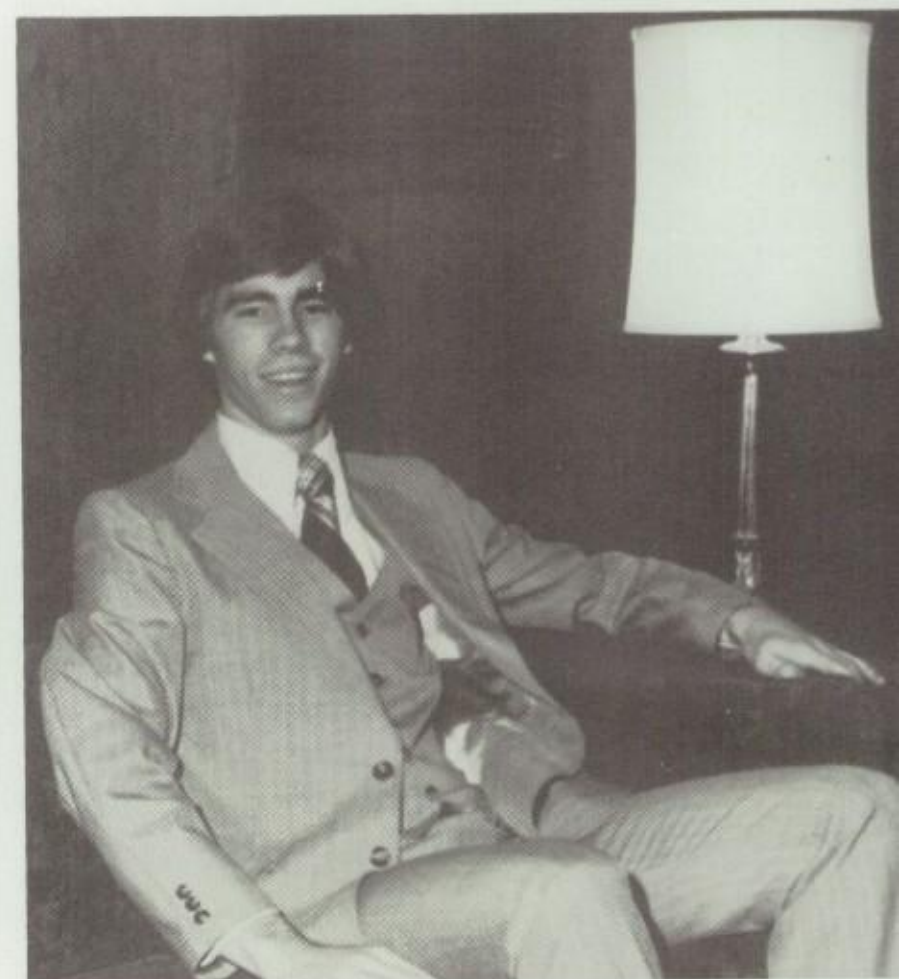

CLASSES

Mike Crews well deserved this recognition due to his ability to excel in athletics, academics, and community affairs. He was selected as one of "America's Outstanding High School Athletes;" he served as president of the Key Club, was chosen as Kiwanis, "Youth of the Month," and always upheld the image of being the "All-American Boy" on campus.

Valerie Milton met all the requirements for being selected as one of M.H.S.'s outstanding seniors. Aside from claiming the title of "Miss Marianna," Valerie was president of the Student Council, an active member of many school clubs, and a high achiever in scholastic work.

Melanie Wiggins, our Homecoming Queen, was well known as the Captain of the Varsity Cheerleaders. Her enthusiasm for school spirit helped boost the morale of our teams. Needless to say, Melanie was an outstanding student and her sunny personality brightened many rainy days at M.H.S.

The winning personality and talent of Renee Green are only two of the reasons she was elected as an outstanding senior. Her achievements included the Citizenship Award and Who's Who in the Society of Distinguished High School Students. She held offices in F.C.A., N.H.S., chorus and she was a member of the Softball team, Beta Club and Anchor Club.

David Vaughn succeeded in achieving one of the most respected awards in becoming M.H.S.'s Valedictorian. His position as Editor for the Yearbook exhibited his leadership abilities as well as his capacity for accepting responsibilities. He was selected as a representative to Boys' State, and a member of N.H.S. and the Beta Club.

One of the most energetic figures on campus was Patti Stokes. She was seen as Head Majorette, as an attendant for Homecoming Court, and director for the Rockettes. Patti received the Poise and Appearance award and 2nd Runner-up in the Jr. Miss Contest; she was a member of the Beta, Latin, and Anchor Clubs and participated in N.H.S., Yearbook and the March of Dimes.

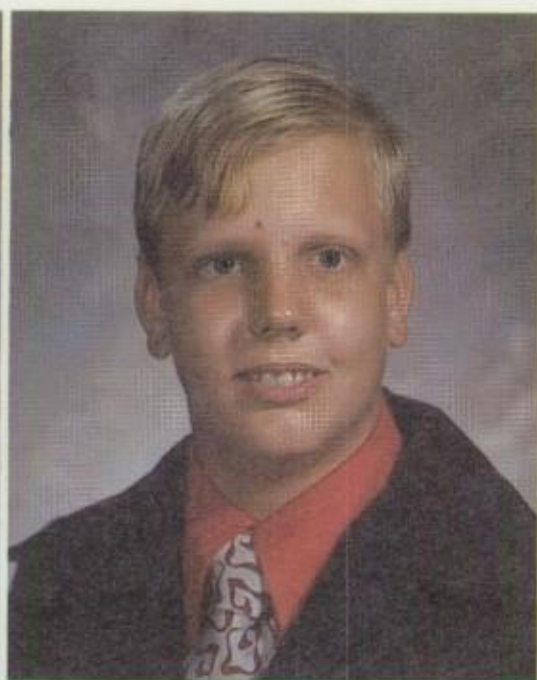

Demonstrating her versatility, Carla Menchion not only achieved academic superiority but excelled in athletic competition. She was a member of the Yearbook staff, Beta Club and N.H.S. As president of D.C.T., and a member of F.Y.E.A. and Activettes, Carla proved herself to be a strong leader.

Gypsy Cowherd was awarded the titles of Salutatorian, 1st place in Regional and County Science Fairs, Superior (I) Solo Rating at District Band, and Jackson County's Jr. Miss. Her avid curiosity and zest for life are reflected by extensive activities and club memberships to which she belonged.

Betsy Vipperman displayed outstanding leadership and earned the respect of both faculty and students during her four-year stay at M.H.S. Her credits are far too numerous to list, but the focal points of her high school career were academic success, especially in the fields of science, speech, and band where she received much recognition.

Angela Jordan is remembered as an efficient, hard working member of the many activities to which she contributed. Her most responsible positions were involved with N.H.S., Anchor Club, Cancer Society, Band, and Yearbook.

HONORS

BEAUTIES chosen by the students are five lovely girls who revealed more than superficial charm. Melanie Wiggins and Julie McCartha represented the Senior Class. Julie's outgoing personality and warm smile reminded us that even on rainy days, the sun shined through. Melanie was crowned Homecoming Queen, which speaks for itself. Beth Alexander, our Junior beauty, is the personification of quiet charm. Sarah Bagget reflected the sophomores' favorite choice and Brenda Pforte, the freshmens' selection, was a striking example of youthful beauty and innocence.

IN DEDICATION TO: MR. GODFREY LONG, ASST. PRINCIPAL

Dear Mr. Long,

This is perhaps, the most difficult task I've undertaken as being Editor of the '79 Majaflow. Dedications are never easy to write; I seem to use the same words over and over again, trying to find the "right thing to say."

To let you know how much we have appreciated your stay at MHS, the following will give you a little insight. As soon as the yearbook staff and I heard this was your last year, it was a *unanimous* decision to dedicate this yearbook to you. After your nine years here and your many years in community service, we recognized that you are a model for all of us to pattern ourselves. There have been many students whom you have helped by your advice and jovial manner. I hope that this memorial will serve as a souvenir for you to look back and remember that "Pride is our Guide", and we certainly are proud of you!

Sincerely yours,

David Vaughn
Editor-in-Chief, 1979

Susan, It has been great knowing you these last few years. I wish
you lots of luck in everything you do. I didn't realize what a wonderful
graduation practice would be. Well there is only few days til we grad-
uate. It is so exciting and then it is so sad. Well I am so settled.
I am to write much more except: God Bless you in everything you do.

Love
-of-
Jacqui

Love is yours,
Jacqui
